THE GLORY OF THE GOTHIC: *The Great Gothic Cathedrals*

May 16, 2017

7:00-8:30 pm

Gothic Cathedrals of the late Middle Ages in Europe encompassed the entire breadth of Christian belief. They brought Christians into the world through baptism, taught them their faith throughout their life and took them out of the world at their death. This lecture will cover their development as masterpieces of art, architecture and engineering.
